

Studio - Porte de Versailles -Demo announcement

Samenvatting

This apartment is 5 minutes walk from the 15th district.

Beschrijving

This modern accommodation has an area of about 23-26 m².

Well equipped, this apartment makes a good base for business travellers or tourists.

Several loan services are available (according to availability): irons and ironing boards, bed barriers, socket protectors. The residence also has a paying launderette, a breakfast room, a paying pressing service, a baggage room and WIFI internet access (paying).

You can park your vehicle in the residences covered car park for 15 Eur/night or 60 Eur/week (according to the availability).

As the residence has many apartments in this category on several floors, you will be advised of the floor on which your accommodation is located on your arrival.

The layout (colours, position of the furniture) shown in the photos only corresponds to a "show" apartment. The style of your apartment will be similar but not necessarily identical.
